We realize that one of the fundamentals of any product lies in how it is presented. We therefore offer samples on straps, backboards and display shelves, all for your convenience.

Builderboards

Designed to display 18" x 18" samples, they fit perfectly into the display shelves. They are 18 inches in width and 20.5 inches in length.

Strap Sets/ Chain Sets

Strap sets for flooring samples and chain sets for accessories. Each sample's width varies in size, but all are cut to a length of 10.5" for flooring and 4" for accessories. Individual samples are also available.

Display Shelves

Display shelves offer elegance and the ability to display up to eight 18" x 18" samples simultaneously. LxWxH: 15.5"x20.5"x80.5".
